IF YOU ARE CURRENTLY IN A BANKRUPTCY PROCEEDING OR HAVE PREVIOUSLY OBTAINED A DISCHARGE OF THIS DEBT UNDER BANKRUPTCY LAW, THIS CORRESPONDENCE IS FOR INFORMATIONAL AND COMPLIANCE PURPOSES ONLY AND IS NOT A DEMAND FOR PAYMENT, AN ATTEMPT TO COLLECT A DEBT, A REQUEST ON AN OBLIGATION, AN ATTEMPT TO IMPOSE PERSONAL LIABILITY UPON YOU FOR A DISCHARGED DEBT, OR AN ATTEMPT TO MODIFY ANY BANKRUPTCY PLAN OR DISCHARGE ORDER.

DONALD CARN,

Every year, we review your escrow account to make sure there will be enough money to cover your tax and insurance payments for the next year. This time, we discovered that your account is going to be under funded by \$66.77. This is most often caused by increases to your property taxes and/or insurance premiums. We've automatically adjusted your monthly payment to cover what we'll need to pay over the next year - your new monthly escrow payment will be \$246.35.

Explanation of Escrow Account in Bankruptcy

Our records indicate this account is subject to bankruptcy protection. We are sending this escrow statement for **informational purposes only**. It should not be construed as a demand for payment or an attempt to collect a debt or to modify the terms of any bankruptcy court order or bankruptcy plan. Please note the bankruptcy plan may provide for a trustee to remit payments for mortgage amounts due prior to and after the bankruptcy filing.

Per your loan agreement, we put part of your monthly mortgage payment into your escrow account to pay for your property taxes and insurance premiums. During the year, we make payments out of your escrow account when your tax and insurance bills come due. If your tax or insurance bills increase or decrease, how much you need to pay into your escrow account to cover those obligations will also change. This notice describes any changes needed in your monthly mortgage payment to maintain enough money in your escrow account to pay these bills. The detail information in this notice explains how your new escrow payment is calculated.

If this is your first escrow statement after a Chapter 13 bankruptcy filing, we performed this escrow account review as of the bankruptcy petition date and updated the new monthly escrow payment in accordance with applicable bankruptcy law. If you previously received a monthly coupon for the same due date, the payment amount below replaces that coupon, which was prepared before we had notice of the Chapter 13 bankruptcy filing.

Bank of America, N.A. is required by law to inform you that this communication is from a debt collector. If you are currently in a bankruptcy proceeding or have previously obtained a discharge of this debt under bankruptcy law, this notice is for informational purposes only and is not an attempt to collect a debt, a demand for payment or an attempt to impose personal liability for a discharged debt.

We understand this change might be unexpected, so we've included two payment options below.

Payment Options

Your Total Monthly Payment is changing starting **12/01/2021**.

You can choose either of these payment options for the shortage. If you decide to pay the full amount, you'll need to make the payment by 11/17/2021. If we don't receive a payment for the full \$66.77 shortage, we will automatically spread it out over 12 monthly payments.

OPTION 1

	Current Payment	New Payments	[12]-month Escrow Shortage
Principal and/or interest	\$413.63	\$413.63	You don't have to pay anything extra now and your escrow shortage will be spread out over 12 monthly payments. Your [new] mortgage payment amount will be: \$659.98 See Projected Escrow Payments Section for details
Monthly Escrow Payment	\$299.82	\$246.35	
Tax		\$86.09	
Insurance		\$154.70	
Mortgage Insurance		\$0.00

Instructions for mailing your escrow shortage

This payment coupon should only be used to mail in your escrow shortage payment. Please don't include any other payments with this check. You can send your monthly mortgage payment the way you usually do.

1. Please:

- Don't send cash
- Don't staple the check to the payment coupon
- Don't include correspondence

2. Write your account number on the check or money order.

Escrow History

Here's what happened in your escrow account since our last review compared to what we projected to happen. If there were changes to your taxes and/or insurance, they're bolded and highlighted below. This may help explain why your account balance was different than what was predicted last year. We've marked your lowest minimum balances with an asterisk (*). Any deposits into Escrow are summed and shown as a total amount for the month.

If you recently filed a Chapter 13 bankruptcy, we have provided below a side-by-side comparison of your prior projected escrow account activity to the actual account activity.

If this is an annual escrow statement provided during your Chapter 13 bankruptcy, then the projected escrow account activity below was performed in accordance with the terms of your Chapter 13 plan. At the same time, we also maintained a separate accounting that reflected your escrow account activity as indicated under the terms of your loan documents outside of bankruptcy (shown below under the heading "Actual"). The Actual escrow activity includes both the receipt of your regular monthly mortgage payments to escrow and any cure payments made under the terms of your Chapter 13 plan for escrow amounts due from the period before your bankruptcy filing or otherwise due under your Chapter 13 plan. Below is the side-by-side comparison of the plan projected activity to the actual activity for last year. Upon the completion of your Chapter 13 plan, if all payments due under the Chapter 13 plan are received and taxes and insurance were paid in the amounts anticipated, then the projected and actual ending balances should match. If you are unable to complete your Chapter 13 plan payments and your case is dismissed, converted to a Chapter 7 or the automatic stay is lifted, then the actual accounting shown below will be used in performing your next escrow analysis.

Projected Escrow Payments

Here's a summary of what we expect to happen in your escrow account over the next year. We used this information to estimate your new monthly payment.

Homeowners insurance	\$1,856.34
City taxes	\$1,033.05
Total Expected Escrow Disbursements:	\$2,889.39

To estimate your monthly escrow payment, we total the expected payments to tax and/or insurance and divide by 12 months:
\$2,889.39 / 12 = \$240.79.

Your estimated escrow account payments over the next 12 months

The numbers in this table assume your scheduled mortgage payments will be made. The balances referenced in the first chart below are projected balances prior to any adjustments due to your bankruptcy plan. Those adjustments are shown in the second chart below the projection.

Based on this year's review, your escrow account will be short by \$66.77. This was calculated based on the lowest minimum balance, which is bolded in the table above, and any payments to cure amounts outstanding prior to your bankruptcy filing. Our records currently show this amount to be \$15.30 and it is included in the calculation of the projected minimum balance. This assessment assumes all payments due under your bankruptcy plan will be made, including regularly scheduled mortgage payments due after your bankruptcy filing and payments to cure amounts due to your bankruptcy filing. Since your projected minimum balance is lower than the required minimum balance, your account is short. The required minimum balance (which is also sometimes called a cushion) may include up to two months of escrow payments (not including your mortgage insurance) to help cover increases to your taxes and homeowner's insurance. **Your account's current cushion is \$481.58.**

Required Minimum Balance	\$481.58
Minus	
Projected Minimum Balance	\$399.51 + \$15.30 = \$414.81
Amount needed to adequately fund your account	\$66.77

FREQUENTLY ASKED QUESTIONS

Q: Why am I getting this Escrow Account Disclosure Statement?

A: We want to make sure you understand any payment changes. Your escrow payment amount for the upcoming year may change due to increased or decreased taxes and/or insurance. This statement provides details about any payment changes.

Q: What is an Escrow Analysis?

A: We do an Escrow Analysis at least once a year to determine if the amount of money in your escrow account is enough for next year's expected tax and/or insurance payments.

Q: What are the most common reasons for my escrow payment change?

A: The most common reasons for a payment change are changes to your property taxes and/or insurance premiums.

Q: What is an Escrow Overage?

A: An Escrow Overage happens when our Escrow Analysis shows you've got more money in your escrow account than the required minimum balance. To determine if you have an actual overage of escrow funds, Bank of America, N.A. will adjust the potential overage to account for any escrow amounts that remain unpaid from the period before your bankruptcy filing or otherwise due under the terms of your Chapter 13 plan. This adjustment is necessary to ensure your current escrow account balance has a surplus of funds. If your account still shows an overage and is current under the terms of your Chapter 13 plan, we'll send you a refund in accordance with applicable law.

Q: What is an Escrow Shortage?

A: An Escrow Shortage happens when our Escrow Analysis shows there's not enough money in your account to meet the required minimum balance. We'll adjust your monthly payment to make up the shortage or, if you prefer, you can cover the shortage.

Q: What is a Required Minimum Balance?

A: The required minimum balance is the smallest amount of money you can have in your account at any time during the year. The required minimum balance, also called a cushion, may include up to two months of escrow payments minus mortgage insurance to cover potential increases to your taxes and homeowner's insurance.

Q: Who should I contact about tax or insurance changes that increased my monthly escrow payment?

A: Contact your local tax authority or insurance agent with questions about any tax or insurance payment changes.

Q: Can I include the total Escrow Shortage amount with my monthly mortgage payment?

A: If your escrow shortage is less than or equal to 1 month's escrow payment you have the option to pay the balance in full or to spread it over the next 12 months. If you choose to pay the escrow shortage in full, the escrow shortage amount must be sent separately, along with the payment coupon Included with this statement. If your escrow shortage is greater than 1 month's escrow payment we will spread the shortage over 12 months.

Q: Do I need to take any actions if I have recurring mortgage payments scheduled through an online bill payment service?

A: Yes. The payment amount will not update automatically. If you make recurring payments from a Bank of America account, visit Online Banking to update the amount of any scheduled payments in Transfers, BillPay or Mortgage Pay on the Web. For payments made through another institution, please follow their process for changing your payment amount.
